

Geebo Goes Beyond

Beyond the usual job candidates. **Beyond** other job-search sites. **Beyond** your expectations.

We reach **beyond** active jobseekers.

Geebo.com is a community classified site active in over 100 metropolitan areas throughout the U.S. Because people visit Geebo for everything from jobs, to apartments, to bikes, your job postings will reach both active and passive candidates. We even e-mail your job postings to candidates who have expressed interest in jobs similar to yours.

We send your job postings **beyond** Geebo.com.

We post your jobs on Geebo.com, but we don't stop there. To achieve the greatest possible reach, we syndicate to many target-specific Web sites which are able to hone-in on particular industries and demographics. You can count on reaching millions of active and passive job seekers not just on Geebo.com, but on My Space, Twitterjobsearch, Tweetmart, Google base, Simply Hired, Oodle, Asian Jobs, Diversity Jobs, Hispanic Jobs, Indeed.com, and mor.

We go **beyond** your expectations.

With Geebo you get more for less! Postings are easy to place, and appear instantly. Plus, we give you unlimited space for job descriptions. And, if you have a large number of monthly job openings, we'll accept an automatic data feed. It couldn't be easier. If you prefer to talk to us in person, please call. Our customer service is unparalleled.
